MARY LEE

FLOWERS, *Fleurs* ALWAYS.

GIFT SUBSCRIPTIONS

$135

per arrangement

About 30–35 stems, including premium varieties

Each gift arrangement is full and generous, made for a kitchen island or dining table. This portfolio shows the look and feel of my work, but every arrangement will vary with what's freshest, most seasonal and most gorgeous at the time. If there are colors or styles you love (or hate!), you'll have the chance to tell me when you order.
